A most sincere word of thanks and appreciation to all those who contribute financially to our parish – both in the offertory and envelope collections. May God bless your loyalty and generosity. As a parish, we are just about holding our own – as indeed are most parishes. One noticeable drop is in the envelope collection – this supports the bigger costs (eg painting, renovating, diocesan levy etc) that need to be done. Last year the envelope collection only covered the annual diocesan levy and the church painting - the day to day parish maintenance had to come from the offertory collection. As with all financial support – many are generous and faithful – but some contribute very little – if not at all!

The priests collection envelopes, which go towards the priests salary has, for the past number of years fallen short of the Diocesan recommendation. These collections are meant to support the living expenses of priest serving in the parish.

**HOLY COMMUNION** Preparations are well underway for our Holy Communion this year. We continue to support the young boys and girls, their teachers and parents, and we continue to pray that their day will be a special day in their lives.
